Genealogy Essentials (NR)

Creating Genealogical Life Stories
Wednesday, June 12th from 1:00—4:00pm

Look at the lives of your ancestors in light of their historical settings, going beyond the usual questions of who, when, and where to reveal the hows and whys of their journeys.

Thinking Outside the Box
Wednesday, July 10th from 1:00– 4:00pm

Join us for tips on using lesser known genealogical resources, including historical societies, organizational archives, maps, photographs, and online search engines.

Deciphering Old Handwriting and the Oddities of Older Documents
**Wednesday, August 14th from 1:00pm—4:00pm**

Learn tips on deciphering the terminology and handwriting in old manuscripts and other documents from "back in the day".

Digital Mooresville

Digital Mooresville is a continuous project dedicated to a web based environment giving access to many of the photographs, documents, maps, and other materials within the Special Collections of the Mooresville Public Library and the community.

Digital Mooresville serves as a digital repository of materials that relates to the history of the Town of Mooresville, the citizens, and the surrounding area.
Check it out at *DigitalMooresville.org*
