Stormwater Management Program Application for Stormwater Utility Fee Credit

Application Number _____

New Application Renewal

(If Renewal Original Application Number)

This application for Stormwater Utility Fee Credit should be completed prior to construction of any new BMPs or retrofits built specifically for the purpose of receiving credit. After construction of new BMPs or retrofits the Town requires that a competent registered professional (PE, or PLS) certify that the BMP was constructed per the approved design. For applications requesting credit for existing BMPs, a registered engineer's signed and sealed design and as-built calculations are sufficient.
