

What is the Mooreville All Access Card (MAac)?

A **free, digital library card** that provides Mooreville Graded School students access to Mooreville Public Library's online resources and print material.

Frequently Asked Questions

What are the benefits to having a MAac card?

- ◆ Access to the library's Digital Resources where students can download e-books, e-audio books, use resources to help with homework assignments, learn languages, and so much more!
- ◆ Check out a maximum of 5 physical books on your MAac card when you visit the library.
 - ◆ Internet access and printing availability in the library.

What do you need to do to get a MAac card?

All MGSD students are eligible for MAac cards. You must opt in your child when completing the school registration process online by answering the Public Library Access question. Please advise your school if you have not opted in for your child to get a card and would like to do so.

What is my MAac card barcode number?

Use your student ID number for the barcode and the last four digits of the student ID number as your PIN.

Does the MAac card affect my regular MPL library card?

All MGSD students with existing MPL cards will keep those cards and use them as they normally would. The two accounts are not connected and in no way affect one another.
