

# MOORESVILLE POLICE DEPARTMENT

## ANNUAL REPORT 2020

## VISION STATEMENT

To enhance the quality of life of the citizens of Mooresville by providing valued government services and directing well-planned growth and development.

## MISSION STATEMENT

The Mooresville Police Department is committed to enhancing the quality of life in our community by working cooperatively with the public and within the framework of the Constitution to enforce the laws, preserve the peace, reduce fear, and provide for a safe environment for all of our citizens.

## VALUES

The officers and employees of the Mooresville Police Department uphold many values, but the foundation of the department is laid upon its Core Values, and it is from that foundation the agency is built. Every employee is expected to perform their duties with **PRIDE** in the face of all adversity and stand up for those that cannot; have **INTEGRITY** to enforce and uphold the laws and constitution of the nation, state, and town in a fair, equitable and honorable manner and hold ourselves and this agency to the highest moral and ethical standards; and know that **COMMITMENT** is not taken for granted but is earned through our actions and professionalism and it is the utmost priority of the department to garner respect from the community we serve.

# OFFICE OF THE CHIEF OF POLICE

On behalf of all the sworn, non-sworn and support staff, I am pleased to share this 2020 Annual Report of the Mooresville Police Department. It was a very difficult year for policing, not only in Mooresville but across the country. We were all dealing with a global pandemic and the civil unrest breaking out in cities all over our country and abroad.

We had to find new ways to police in 2020. We adapted to keep serving our community, while keeping our officers safe. We changed the way we responded to calls for service. Virtual meetings became part of everyday life. With most of the population working from their homes, calls for service increased. The “new normal” as it was coined was anything but normal.

To keep both the public and our officers safe, we responded only to traffic crashes in which there was either extensive damage which required vehicles to be towed, or personal injury. We took a closer look at how people were arrested. Roll calls were conducted one-to-one in the field by supervisors instead of having everyone in the station at one time.

Despite all our efforts, we still had officers contract COVID-19. Fortunately, all recovered but some are still feeling the effects of being exposed.

Mooresville was not immune from the protests that were going on across the country. The protests that took place here in Mooresville were peaceful and respectful to both the participants, residents, and business owners. Mooresville Police Department participated in some of these protests and made it possible for there to be a seamless route to protest in others. Everyone worked together and

showed the country how to work through differences without resulting to violence.

I wish to thank all the officers and support staff who came to work every day to serve this community. All the employees here are fathers, mothers, sons, and daughters. They were dealing with the same uncertainty of this pandemic, the same issues with schools and food supply shortages. They came to work every day not knowing what that day would bring. Never in my 37 years of policing have I seen a group of individuals like the ones in this police department. They never lost sight of their mission and responsibility to serve this community.

During a time in our country where many people lost hope, Mooresville not only shined through this dark period but became a model of how we can work together in a respectful way to resolve our differences. That is why we will always remain [#Mooresvillestrong](#).

## Office of the Chief of Police

Assistant to the Chief Kristina Gibbons

Gibbons works directly with the Chief and Assistant Chiefs, coordinates events, assists with social media, maintains internal calendars, and acts as the Off-Duty Administrator.

Budget & Personnel Deborah Harding

Harding is responsible for annual budget development and administration, and controls internal expenditures, requisitions and purchases of equipment and supplies. She coordinates the hiring process for new employees and assures all documents are completed and processed according to North Carolina Criminal Justice Standards.

Accreditation Manager Jennifer Harris

Harris has served as the Accreditation manager for the department for eight years. The department received its first Law Enforcement Accreditation Award from the Commission on Accreditation for Law Enforcement Agencies in 2015 and was re-accredited in 2018.

## PATROL DIVISION

The Town of Mooresville is a diverse community located within the Charlotte metropolitan area of North Carolina. Encompassing approximately 25 square miles, the Town continues to experience tremendous growth as new residential communities are developed in support of an expansive mixed-business community.

The Patrol Division is comprised of four Captains, who serve as Watch Commanders, eight Sergeants, who serve as District Supervisors, eight Corporals, who serve as Assistant District Supervisors and Field Training Officers, four K-9 Officers, and forty Patrol Officers.

The men and women of the Patrol Division remain steadfast in their commitment to provide exemplary service and the achievement of goals. In addition to performing standard patrol functions, data analysis, predictive policing, and other technology-based solutions afford the Division the ability to proficiently allocate resources, protect, and serve. Our data-driven approach to policing, combined with the department's deeply rooted community policing philosophies, ensures the realistic needs of the community are appropriately addressed.

Regardless of assignment, to the Historic Downtown or Lake District, it is the goal of the Patrol Division to proactively serve while deterring crime, holding the criminal element accountable, and addressing quality of life issues as they arise.

Diligently working to ensure relationships within the community are fostered, maintained, and enhanced, the officers of the Patrol Division can also be found conducting foot and bicycle patrols, and interacting with our citizens during community, neighborhood, and school events. Additionally, participation in our Public Safety Cadets Program, Police Activities League, Citizens Academy, and many other community related functions and events keep our Mooresville Police Officers looking forward to their next engagement with the citizens of our community.

**Assistant Chief Frank Falzone**

**Captain Robert Coughlin**

**Captain Christopher Jorgensen**

**Captain Bucky Goodale**

**Captain Christopher Walker**

## TECHNICAL SERVICES & OUTREACH

Assistant Chief Cooke commands the Administrative Division. In this position, Cooke provides direct assistance to the Chief of Police in overall management, direction, and control of the police department. These duties include the planning, developing, coordinating, and supervising of the Records and Communications Department's various administrative, operational, and support services. Cooke is also the Team Commander of the Special Response Team (SRT).

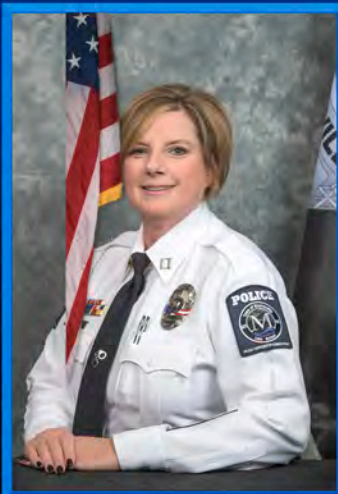

Captain Rhonda Faust serves as the Administrative Captain who exercises direct supervision over several key organizational functions including Training & Recruiting, Logistics, and Internal Affairs.

Sergeant Brian Plyler rounds out the command structure within the Administrative Division. His responsibilities in Logistics include fleet and building maintenance, budgeting, equipment purchasing, supply manager and quartermaster. Plyler is the Team Leader of the SRT and the Coordinator of the Field Training Program.

Officer Latasha Watts is the department's Training and Recruiting officer. Training & Recruiting are vital to the success of the agency. Sworn officers are provided with mandatory in-service training to assure compliance with the North Carolina Criminal Justice Training and Standards Commission. Also, employees are afforded the opportunity to apply for specialized training in accordance with the needs of the department.

**Assistant Chief Joseph Cooke**

**Administrative Captain Rhonda Faust**

**Administrative Sergeant Brian Plyler**

**Officer Latasha Watts  
Training & Recruiting**

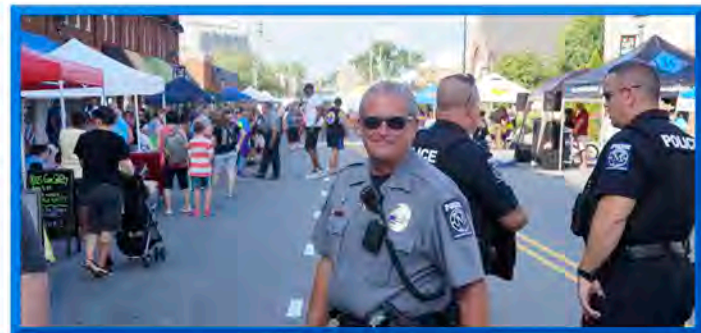

## INVESTIGATIONS & FIELD OPERATIONS

Assistant Chief Bob Dyson leads the Investigations & Field Operations. All teams are responsible for delivering unique and essential functions within our agency. Our division includes Criminal Investigations, Narcotics Investigations, Property & Evidence, Crime Prevention & Community Engagement, D.A.R.E., School Resource Officers, Public Safety Officers and Traffic Enforcement.

**Property & Evidence** Two Property & Evidence Technicians, Lee Labelle and Charlene Brady, serve the needs of the officers and public by maintaining an inventory of more than 19,868 items. While many of these items are related to investigations, some items are not investigative in nature and include found and abandoned property.

**Crime Prevention & Community Engagement** - Crime Prevention and Community Outreach Officer Dave Harding is responsible for MPD's Crime Prevention and Community Outreach functions. He works with residents to make Mooresville a safe place to live, work, and raise a family. Some of Harding's duties include presenting Active Shooter Response training to churches and businesses, conducting security assessments for businesses and residences, and teaching safety, security, and law enforcement topics. Harding works with people of all ages throughout the Mooresville Graded School District, the Mooresville Police Athletic & Activities League, "Storytime with a Cop," South Iredell Senior Center and the Mooresville Parks & Recreation Department. He is responsible for numerous police and community events. If you, your neighborhood, business, or church needs assistance with safety or security issues, Officer Harding will be happy to assist you.

**Public Safety Officers** - Public Safety Officers Russ Crimi and Chuck Lee support the department in several ways. Both officers may be seen directing traffic at our local schools, patrolling around Town Hall, the Public Library and Town Parks, visiting Downtown businesses, meeting participants at Feed NC, and occasionally directing traffic around crash scenes. They both provide aid to our officers around Town.

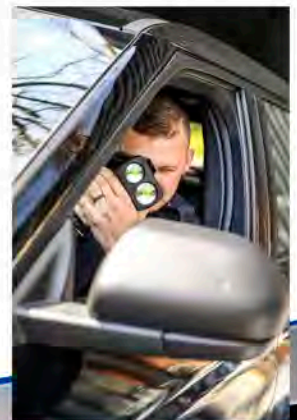

Assistant Chief Bob Dyson

**School Resource Officers** - Our School Resource Officers (SRO) serve students, staff, and families at Mooresville High School, Mooresville Middle School, N.F. Woods Campus, Langtree Charter, and Pine Lake Preparatory. Additionally, our SROs and D.A.R.E. Officer assist with the elementary and intermediate schools for the Mooresville Graded School District. SROs provide a source of safety and security to these campuses while educating students, staff, and others on law enforcement-related topics. SROs stay engaged with students during the summer by organizing and participating in various MPD-sponsored youth camps. One of our D.A.R.E. Officers, Richard Kratz, is currently the president for the NC D.A.R.E. Officer Association.

**Traffic Safety and Enforcement Unit** - The Mooresville Police Department's Traffic Unit utilizes education and enforcement measures to reduce serious motor vehicles crashes on the roadways in Mooresville. They do speed enforcement, DWI enforcement, check points, saturation patrols, and work complaints related to traffic issues. The Traffic Unit is part of the Iredell County Safe Kids Coalition and works in conjunction with the Mooresville Graded School District's Drivers Education Program. The Traffic Unit uses this opportunity to educate students about safe driving habits and the dangers of impaired and distracted driving.

## INVESTIGATIONS & NARCOTICS

The Investigations Division is led by Captain Jamie Quinn and currently consists of:

**Captain Jamie Quinn**

- One Sergeant who manages the daily operations, assists staff, and conducts investigations;
- One Sergeant who oversees Vice/Narcotics Operations.
- Two Special Victims Detectives who focus primarily on crimes involving sexual assault, domestic or dating violence, and stalking;
- Five Criminal Detectives whose case assignments range from misdemeanor offenses to major felonies as they occur;
- One Detective assigned to the U.S. Marshall's Regional Fugitive Task Force, based in Charlotte, which focuses on apprehending violent fugitives;
- Two Detectives assigned to the Internet Crimes Against Children Task Force;
- Three Narcotics Detectives primarily assigned to investigate complaints of illicit drug, alcohol, prostitution, and gambling activities within Town limits;
- One certified Drug Diversion Investigator who investigates trafficking of opioid pain killers, prescription fraud, and other prescribed Controlled Substances violations;
- One Detective assigned to the US Homeland Security Investigations Task Force, based in Charlotte, which focuses on major drug trafficking cases across the Southeast; and
- One Administrative Assistant.

The mission of the Division is to support the Patrol Division with higher-level investigative expertise on complex cases requiring more time and resources than are available to the Patrol Division. Each detective is responsible for maintaining their advanced skills and knowledge of laws, emerging crime trends, and investigative techniques. All detectives are trained and experienced in advanced crime scene processing, identifying, locating, and arresting offenders, interviewing and interrogation, recovering stolen property, and preparing cases for successful prosecution. Cases are assigned based on solvability factors including seriousness of the crime, clear descriptions identifying the offenders and/or vehicles used in the crime, physical evidence available, and patterns of similar crimes.

In 2020, the Criminal and Special Victims Detectives investigated a combined **793 cases**, of which **232 were cleared by arrest**. All felonies and cases involving domestic violence are screened and/or investigated appropriately. Detectives maintain close working relationships with local, state, and federal law enforcement agencies, including the District Attorney's Office, and several detectives are members of regional task forces such as Internet Crimes Against Children, the Domestic Violence Task Force of Iredell, and the US Attorney's Office Western District Financial Crimes Task Force. Though the Division functions during normal business hours, detectives are subject to being called out after hours, as needed.

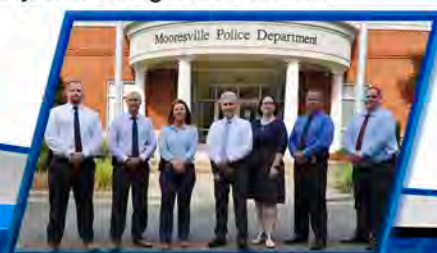

Due to the COVID-19 pandemic, the department's community outreach activities were limited. However, the Investigations Division was active in developing and coordinating community events throughout the year including Prescription Drug Take-Back events, Narcan Administration program, and Heroes & Helpers.

**Sergeant John Vanderbilt**

In 2020, the Department collected and destroyed **876 pounds** of unused or expired prescription and over-the-counter medications, including 11,220 dosage units of opioid painkillers. To date, **31 lives have been rescued** from opioid-related overdoses via officers using naloxone (a.k.a Narcan) during their response.

In 2020, the Narcotic Detectives made **281 charges** for various violations involving numerous seizures, including **17,363 grams of marijuana**, **2,072 grams of cocaine**, and **71 grams of heroin** for a total street value of **\$227,872**. In addition, they seized **5 firearms** and **\$85,603 in cash**.

# 911 COMMUNICATIONS CENTER

A dedicated team of highly-trained professionals operates the Mooresville Police Department's Emergency Communications Center. Our mission is to be the critical link between public safety responders and any person that lives, works, or passes through the Town of Mooresville. We operate 24 hours a day, seven days a week to answer emergency and non-emergency phone calls and dispatch services, as needed.

This year, instead of selecting one individual to receive the Telecommunicator of the Year award, the department honored all the Telecommunicators. They came together as a team and persevered through the pandemic and all the changes happening in the world with grace, professionalism, and dedication. These Telecommunicators are truly the "First" First responders.

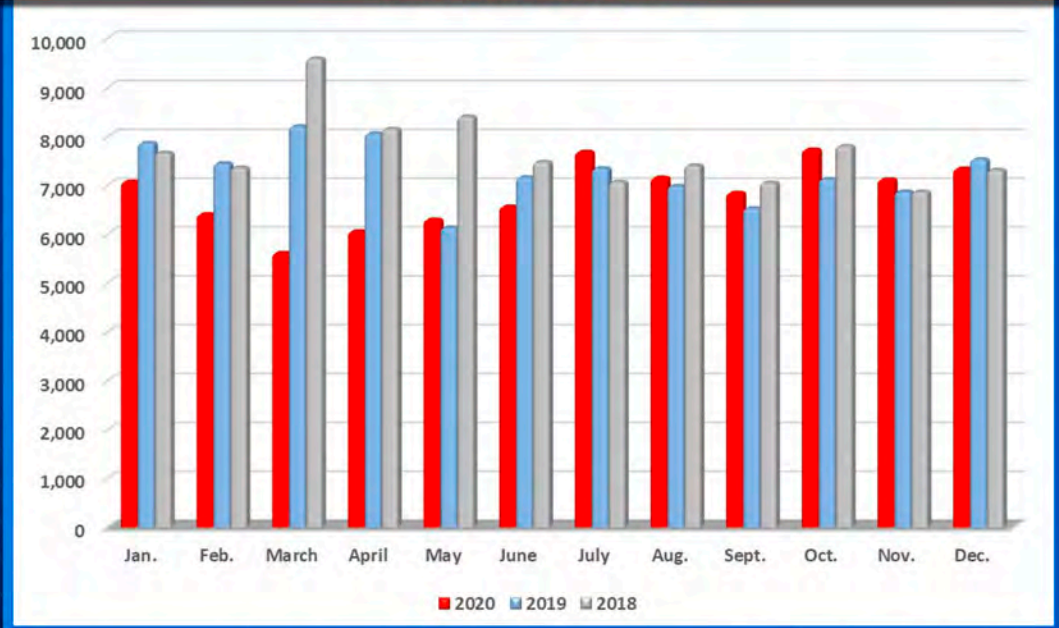

Communications & Records Supervisor Susan Davis

Assistant Supervisor Tiffany Rivera

## Nature of 2020 Violent Crime

## Nature of 2020 Non-Violent Crime

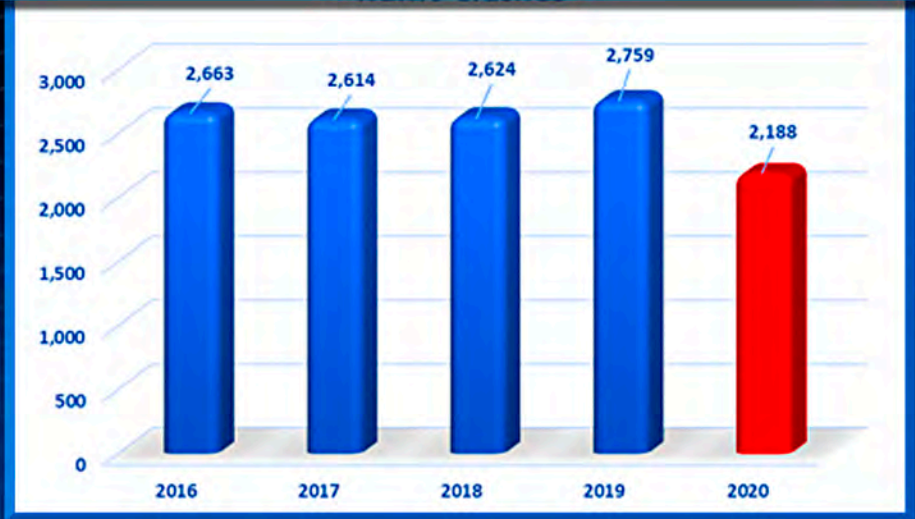

## Traffic Stops

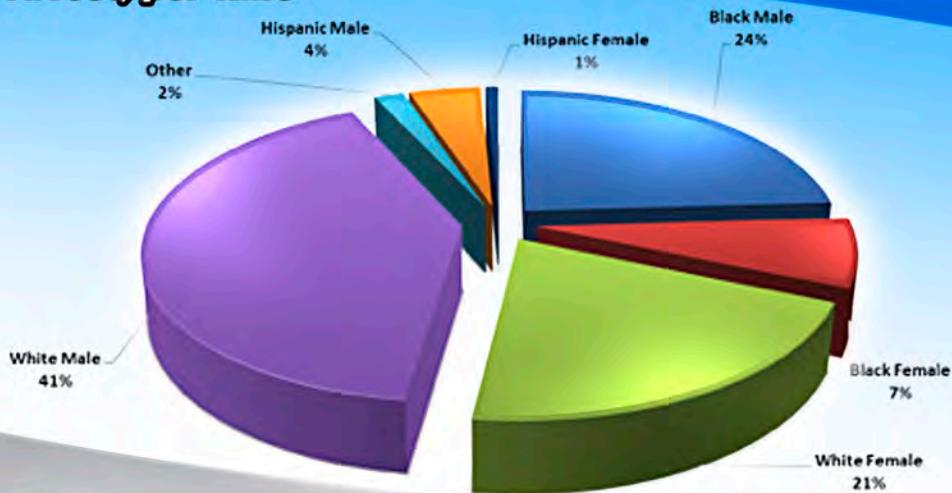

Overall traffic stops increased in 2020. Mooreville Police Department received two grants from the NC Governor's Highway Safety Program (GHSP). One was for \$25,000, which funded overtime for officers to conduct traffic enforcement activities aimed at increasing the use of seat belts and occupant restraints as well as reducing speeding violations in Mooreville. As a result of these efforts and our commitment to traffic safety, the GHSP awarded the Department a three-year grant to fund two new Traffic Officers, including vehicles and equipment, effective October 1, 2019. These officers were paired with two existing officers to form a four-officer Traffic Unit. Since its inception, the Traffic Unit has increased traffic stops in Mooreville. Since the GHSP-funded initiatives began, citations for speed-related violations increased and citations for occupant restraint violations increased.

# CRIME STATISTICS - GRANTS

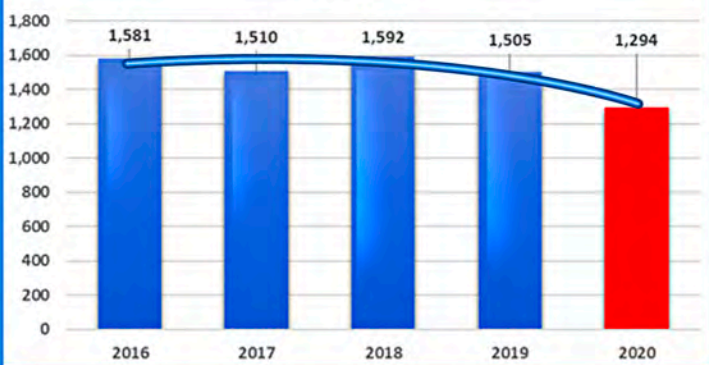

## Traffic Crashes

## 2020 Arrest, per RMS

## Arrests

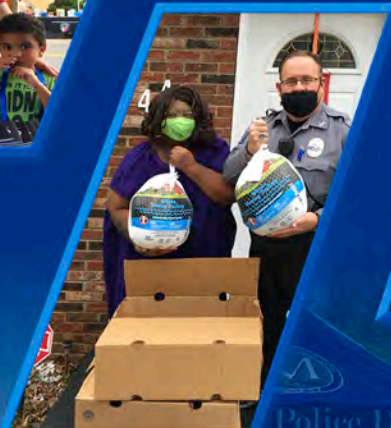

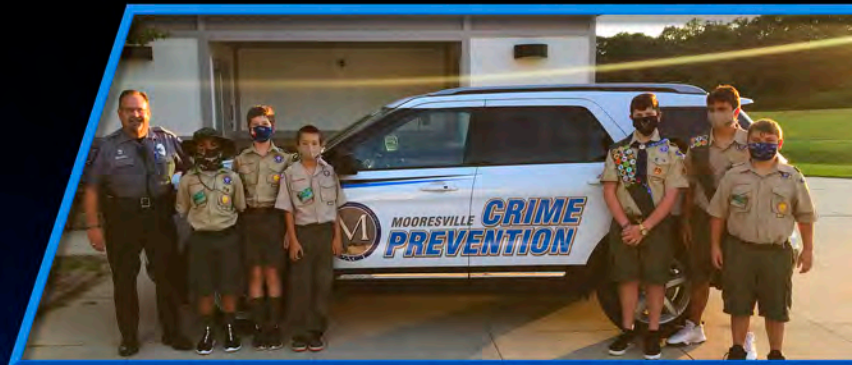

## Grants

To be good fiscal stewards of taxpayer dollars, the Mooresville Police Department continually pursues grant funding from Federal, State, and other resources to provide "seed funding" which enables the Department to fund positions and programs, as well as acquire much-needed equipment, supplies, and training at significantly reduced rates.

In 2020, we received seven new grants totaling \$911,168, which includes a Town-funded match of \$121,813, but saved the taxpayers \$789,355 (87%) on project costs. In 2020, current and previous multi-year grant funds helped support five positions at the Mooresville Police Department including a new, non-sworn Community Resource Coordinator and one Victim Advocate at My Sister's House, the local women's crisis center.

# COMMUNITY OUTREACH

The Mooresville Police Department conducts approximately 600 crime prevention and community outreach events a year. All these events have the goal of building relationships between our community and the police department and to teach our community how to be safe. Some of these include Coffee with a Cop, mentoring at-risk juveniles, conducting active shooter response training, conducting security assessments at businesses and residences, senior safety, HOA Community Watch development, safety while out and about, and collecting food for needy community members. Also, we teach a variety of safety, security, and law enforcement classes on a wide range of topics to all segments of our community, as well as present classes on the importance of building positive community relationships to new recruits. MPD works with our local youth through the Police Athletic & Activities League and participates in numerous community events, including Juneteenth, Race City Festival, and many others.

Police Department

# COFFEE WITH A COP · DARE

## Coffee with a Cop

The Mooresville Police Department hosts numerous Coffee with a Cop events at churches, restaurants, convenience stores, and coffee shops throughout the Town of Mooresville to give members of our community the chance to meet their officers, ask questions, and discuss issues that they may be having, all in an informal atmosphere. This event is just one of many that MPD does to continue to build meaningful relationships with our wonderful community.

## D.A.R.E

Mooresville Police Department began providing the D.A.R.E. program to local students in the mid-1980s. At its inception, D.A.R.E.'s focus was to empower youth. By training Police Officers to present the curriculum, relationships could be built with the very professionals prepared to help. D.A.R.E. has evolved over the years to encompass decision-making in all aspects of life.

Students are taught facts, strategies, and given tools to make informed and wise choices, thus building their confidence. Lessons include risks/consequences, stress, peer pressure, bullying, communication skills, and more. The theme throughout the curriculum is that each child can succeed. Generally, the D.A.R.E. program is taught to 600-800 students annually in the Mooresville Graded Schools, as well as several Charter academies.

Officer Richard Kratz

# HONOR GUARD - SRT

## Honor Guard

The Mooresville Police Department Honor Guard was established in 2009, with a mission to represent the Mooresville Police Department at memorials, parades, ceremonial functions, and other special events. The Honor Guard and its members strive to represent the highest standards of integrity, professionalism, and dedication to duty.

## SRT

The Mooresville Police Department's Special Response Team (SRT) remains in a state of readiness to respond to situations that are beyond the capabilities of normally equipped and trained department personnel. The goal of the unit is to protect human life and apprehend criminal offenders in high-risk situations. The officers in this unit receive additional training and must maintain a level of tactical skills and weapons expertise that is required to counter any threat that may arise. The team's high level of operational proficiency increases the likelihood of the safe and efficient resolution of life-endangering situations.

## K-9 UNIT · BIKE TO D.C.

### K-9 Unit

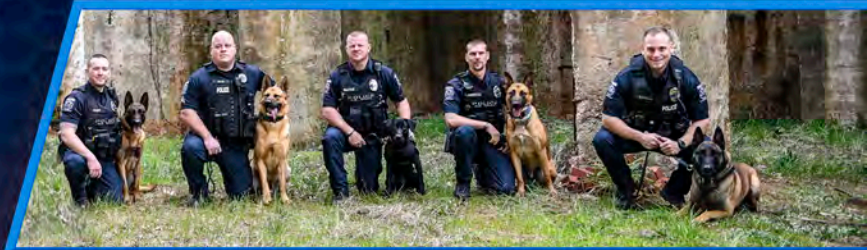

The department's K-9 unit plays a vital role assisting the agency and others in the accomplishment of mission objectives. The superior sense of smell, hearing, and potential aggressiveness of a trained law enforcement K-9 is a valuable supplement to law enforcement manpower.

The K-9s are specifically trained in the tracking and trailing of fleeing felons. They can locate discarded articles and detect the odor of narcotics. K-9s are particularly efficient in searching large fields or buildings for suspects and can enter small areas that officers would not be able to access. Also, they are useful in high-risk situations such as foot chases where their speed and tracking ability become very handy.

Although the K-9s are well trained when selected, training continues for the working life of the dog. The officers involved have a strong commitment to the program and this assignment is one of the longest in the department. Not only are the dog and handler together constantly at work, but the dogs also live with the family of the handler. At home, these dogs act like ordinary family pets. However, once a handler puts a K9 in the vehicle for the trip to work, the dog's demeanor changes. These dogs have an innate sense of when they will be required to assist their partner and they look forward to coming to work. K-9 teams generally work during the night-time hours. This allows the greatest effectiveness since

most building searches, alarms, burglaries, etc. occur during this shift.

The K-9 teams attend numerous civilian functions each year. These include school visits and demonstrations at local civic groups, Citizen Academies, and public education programs.

### National Police Week, Bike 2 DC

National Police Week is the annual tribute to law enforcement service and sacrifice that is held each May in Washington, DC. The National Law Enforcement Officer Memorial is a focal point of the National Police Week observance, and a candlelight vigil is held on May 13 each year. Since 2007, Law Enforcement officers ride bicycles for more than 500 miles over four days from Charlotte, NC to Washington, DC. This ride is in honor and memory of those who have died in the line of duty. Though the journey is not easy, each mile is a tribute to those who have made the ultimate sacrifice.

## POLICE ATHLETICS & ACTIVITIES LEAGUE

The Mooresville Police Department participates in the Police Athletics & Activities League (PAL) program as one of our community outreach activities. Designed to bring police officers and the youth in our community together, PAL uses mentoring, education, athletics, and recreational activities to create friendships, trust and understanding between law enforcement officers and area youth. Studies show when respect for an officer is gained and fostered in a gym, classroom, or on a ballfield, it is more likely the same respect will be shown toward laws that officers must enforce. Providing a positive influence in the lives of our youth reinforces the values and principles needed to become good citizens. Participation in the PAL program is not restricted to just law enforcement officers. It is open to anyone in the community who would like to volunteer.

# PUBLIC SAFETY CADET PROGRAM - RAPE AGGRESSION DEFENSE

## Public Safety Cadet program

The Public Safety Cadets is a program for local youth who are interested in learning about the field of law enforcement. Open to young men and women between the ages of 14 - 20, the program is centered on mentoring young adults to serve their communities by providing knowledge, skills, and practical experiences through education and training delivered by public safety professionals. The program uses hands-on activities to build character, physical fitness, and respect for the rule of law while promoting growth and development in the youth participants. Contact the Police Department at 704-664-3311 for more information about the program.

## Rape Aggression Defense

The Mooresville Police Department offers Rape Aggression Defense (RAD) training for women in our community at no charge. RAD is a self-defense course designed to teach women basic defense options in the event of an attack. The program provides information and an opportunity for participants to practice their skills in a controlled environment. The course accommodates women and youth who are 13 years of age or older and is taught by certified instructors from the Mooresville Police Department. For more information on these classes, call 704-664-3311.

# HEROES & HELPERS

## Heroes & Helpers

For the past five years, the Mooresville Police Department has partnered with Target, The Salvation Army, and various individual and business donors to take at-risk, underprivileged children (ages 5-9) on a shopping spree with an officer for needed clothing, shoes, and jackets, as well as toys and other fun things. To date, 115 families have been served through this effort. The children and their families receive breakfast and a care package to commemorate the occasion. The goal of the event is to bring joy, hope, and encouragement to members of our community who really need it and provide a positive, fun experience between the children and our officers that they will remember. It is an ongoing effort to build trust and strengthen relationships between the police and community.

# THANK YOU

On behalf of the men and women of the Mooresville Police Department, thank you for entrusting your safety to us and working in cooperation with us to make our community a great place to live, work and play. We appreciate all the love and kindness you have shown us.
